

MASCA

Multi-wavelength AGN Structure and
Cosmological Applications

Château de Valrose
Nice, France

9-13 October 2023

masca.sciencesconf.org

Abstract deadline: 4th August

Sessions
(Preliminary)

The Broad Line
Region

Subparsec scales
and jets

Parsec scale
structure,
composition, and
kinematics

The link with the
central host galaxy
<100 pc bulge region

Social event and
dinner

Reverberation
Mapping

AGN in cosmology

Instrumentation for
AGN observation
